Tk 200/\$3 Will provide 2 books for one participant of our Adult Literacy Program for a 9-month course. Tk 200 will ensure that one adult will read and write proficiently in basic Bangla and English, including basic mathematics.

Tk 500/\$8 Will provide ICT training for one rural adolescent boy or girl for 3 months, where basic computer skills and internet browsing will be taught. The student will then have the skills to confidently pursue employment opportunities.

Tk 500 Will also help to plant 30 trees at our Eco-village sites which will attract wildlife, while also benefiting the soil and air.

Tk 1000/\$15 Will provide life-skills training in our Eco-village for a poor man or woman in income generation activities. He/she will then have the capacity to improve their own livelihood.

Tk 1000 Will produce 50 kg of organic fertilizer for chemical-free agricultural and homestead garden use, and at the same time reduce waste.

Tk 2000/\$30 Will buy one goat for one poor rural family as part of ESDO's Self-Reliance Program. The milk produced will generate income and improve family nutrition, and young goats can be sold on the market.

Tk 5000/\$75 Will provide 10 street children in Dhaka with educational support for 6 months, or provide food for 15 street children for 1 month.

Tk 10,000/\$150 Will provide a village woman with a loan without interest as part of ESDO's Self-Reliance Program which will support her to begin her own business and escape the poverty trap. After loans have been repaid, in 2 years the money will roll into 3 different families giving them support to begin their own business through purchasing a rickshaw van or small shop for example.
